

## Tandia Launches Innovative Podcast Series: Tandia Talks Money

**January 20, 2022 (Burlington, ON)** – Tandia has recently launched an engaging and educational weekly podcast series, intended to answer all those burning questions listeners have about optimizing their hard-earned money.

Hosted by Tandia's knowledgeable and approachable Carla Ricci, Manager of Community Development, she's already been busy chatting about a wide range of financial topics in the first few episodes. She's had some special guests and financial experts from Tandia's knowledgeable team join her, and she has more lined up for upcoming shows.

The goal of 'Tandia Talks Money' is to help make money more relatable, and share take-action tips to help listeners create the life they want. The content tackles common financial challenges, goal setting and helps the audience define their financial journey.

Tandia Talks Money is just one more way that Tandia is demonstrating its commitment to fostering Financial Literacy in our local communities. You can tune in on your favourite podcast app (Apple, Spotify, Audible, to name a few) and as new episodes come out, audio links will also be added on [tandia.com](http://tandia.com).
