

## **Tandia Supports Fundraising Efforts for Ukraine Relief**

**March 7, 2022 (Burlington ON)** – With the recent escalation in Ukraine triggering an international crisis, many countries around the world are responding in support of the people of Ukraine. Tandia is quickly stepping up along with the Canadian Credit Union Association and credit unions across Canada to help raise funds to support the Ukrainian people in need of humanitarian aid.

The [Canada-Ukraine Foundation](#) is currently collecting humanitarian aid funds and Tandia has made a **\$5,000** donation. If you're able to contribute, we encourage you to donate any way you can.

Richard Davies, President and CEO, in support of this initiative stated, "We know our members are concerned and we are ready to share our community support when the need is great, anywhere in the world. One of the best ways we can help at this time is through financial support."

Our thoughts are with the people of Ukraine, and the people in our own communities here at home whose relatives or friends might be affected by this unfortunate and growing conflict.
